Standardized Operating Procedures for Prospective Homebuyers in Order to Receive Services from Saldo Properties:

- There is no general requirement to provide photo identification in order to work with Saldo Properties. However, prior to entry to a Saldo properties office, customers may be required to present photo identification for security or similar purposes. Also, individual property owners, certain sponsor/developer-clients or managing agents, or certain listing brokers may require photo identification prior to a showing or to work with them, and we will communicate this information to buyers when such a situation arises.
- An exclusive buyer representation agreement is not required to work with Saldo Properties.
- A pre-approval for a mortgage loan is not required to work with Saldo Properties, per se, however, individual property owners, certain sponsor/developer-clients, or certain listing brokers may require one – and if so, we will communicate such fact to buyers when such a situation arises.
